

Halebury contributes to Juro's eBook on legal operations

Halebury has contributed to Juro's new eBook on legal operations.

The book is authored by 14 legal innovators who reflect on their experiences of making the various competencies of legal operations work for their legal team, and for their business.

Halebury CEO [Denise Nurse](#) contributes on the chapter on vendor management.

You can download the book on the following link: <https://bit.ly/2QJ9C13>
